

Anaheim Family YMCA

PARTNERSHIP PROFILE

Shared goal: Continue or Leverage existing partnerships to meet youth needs
Provide access to quality food to local communities through direct transportation.

Description: Anaheim YMCA is connected with the districts to have ASES staff help with grab-and-go meals. The districts have used YMCA resources, staff, buses and supplies to bring food to local communities so that individuals who do not have transportation still have access to meals. The work from home staff developed supplemental "boredom buster" activity packets for students in their afterschool time.
