

Virtual Hackathon

PARTNERSHIP PROFILE

Shared goal: Support youth during out-of-school time activities

Description: Due to COVID-19 and the global pandemic, MIT App Inventor had to cancel its annual Summit in August, 2020 in Cambridge, MA, where app inventors from around the world converge on the MIT campus to share and learn from each other. In place of the Summit, the App Inventor team decided to run its first virtual hackathon, where individuals and teams from around the globe would work for one week creating apps to address a set of global issues. The App Inventor team has worked in the past
