

Healing Together

PARTNERSHIP PROFILE

Shared goal: Develop staff/volunteers pedagogical competencies, Directly check on the well-being of youth and families

Description: Healing Together is a collaboration of the Office of Student Support Services, Office of Teaching and Learning, and Office of Curriculum. The content was developed in partnership with SDP teachers, counselors, and principals, along with trusted local partners and national experts. It addresses the needs of students, staff, and families in four areas: social-emotional learning, mental health trauma, community morning meetings and adult wellness.
