

PASA

PARTNERSHIP PROFILE

Shared goal: Support youth during out-of-school time activities
Meet community interests and needs

Description: PASA is a 17-year old organization, and pre-pandemic ran afterschool programming in school sites. In Fall 2020, PASA pivoted to municipal parks and recreation centers to house programming. PASA mapped the zip codes of PASA's participant population to rec centers across the city and was able to secure four sites that are in walking distance to PASA's youth. The kids will be able to join programming 2 days a week outside and indoors within their own neighborhoods, rather than being

Location: Rhode Island

Total capacity: 80 daily during the pandemic

Health and safety: Compliance with State/County/City guidance

How do you address inequity?

PASA is committed to educational equity. 98% of the youth that participate in PASA are from low-income families. And, most of these youth do not have access to fee-based, privately run recreational or extended learning opportunities. In turn, they are not necessarily getting a whole-child, positive youth development centered-approach to education. According to PASA's Executive Director, "the afterschool community is filling
