

Girls, Inc. STEM

PARTNERSHIP PROFILE

Shared goal: Continue or Leverage existing partnerships to meet youth needs, Support youth during remote/virtual/online school time learning

Description: The mission of Girls, Inc. is to inspire all girls to be bold, smart, and strong. The STEM program leverages previous relationships with schools the organizations had pre-pandemic. It focuses on participants creating healthy choices and wellness messages, using stop-motion animation. This is an opportunity to learn and be exposed to content and experiential learning that these girls otherwise would not have. As of yet, the program is virtual. In the coming months, depending on
