

Community Hub Initiative

PARTNERSHIP PROFILE

Shared goal: Establish or Sustain community learning hubs/pods/academic-childcare collaborative

Description: In late July, Mayor London Breed announced that DCYF and the SF Recreation and Parks Department, in partnership with community-based agencies and other City departments, will implement Community Hub Initiative, a Citywide, neighborhood-based strategy to support children, youth, and families everyday during the school year. The Hubs will provide support for students in grades K-6 who are utilizing SFUSD's Distance Learning Curriculum, and will prioritize children and youth

How do you address inequity?

The Community Learning Hubs are designed to support children and youth from low-income households; residents of HOPE SF, public housing, and single-room occupancy hotels, youth experiencing homelessness, foster youth, English language learners, and low-income families that are African American, Latinx, Pacific Islander and Asian. Higher enrollment priority will be given to applicants who are multi-system involved,
