

Sacramento City Unified School District

PARTNERSHIP PROFILE

Shared goal: Directly check on the well-being of youth and families, Support youth during out-of-school time activities

Description: The Youth Development office of Sac City Unified is focusing on connects for youth. Focusing on the whole child and emotional well being for youth. They are redefining what after school looks like from a distance learning perspective. Using AVID methods, they host 2 days of emotional well being, 2 days of academic enrichment and 1 day of virtual fieldtrips. SCU works with community partners to increase arts in afterschool programs.
